# Marinwood 259

The Marin County Transit District (Marin Transit) was formed by a vote of the people of Marin County in 1964 and was given the responsibility for providing local transit service within Marin County. Although Marin Transit has responsibility for local services, it does not employ its own drivers. Instead, Marin Transit contracts with other providers, including Golden Gate Transit, Marin Airporter, and Whistlestop Wheels, for local bus and paratransit services.
